

*You've always been there for others. It's part of who you are.
You can continue to give beyond your lifetime.*

Being there for people close to us is a lifelong joy. And some of us are fortunate to have the financial security to care for loved ones beyond our lifetime.

Leaving a gift to a cause you believe in is another way to create your legacy.

Your bequest to BC Coalition of People with Disabilities (BCCPD) will promote and protect the dignity and independence of people living with a disability.

Your gift will help us to be here in the future for those who need us.

Share Our Vision

The people we serve and support are all ages and from all walks of life:

- ♥ Families needing income supports and health services to live with dignity
- ♥ People who need support to live safely and independently at home
- ♥ People who need assistive devices or assistance animals
- ♥ Workers injured on the job
- ♥ People with hidden disabilities
- ♥ Students with learning disabilities
- ♥ People with disabilities who choose to leave institutions and live in their communities

Here are some of the ways we fulfill our vision:

- ♥ We help thousands of people with disabilities each year through our one-to-one advocacy services
- ♥ We prepare and distribute over 50 publications (over 60,000 copies) on disability rights, wellness, accessing government programs, and more
- ♥ We created the first emergency preparedness network in BC for people with disabilities and seniors
- ♥ BCCPD continues to be a leader in improving accessible transportation

You can direct your gift to a specific program or you can ask us to use it where it's needed most.

You can help us be here tomorrow for those who need us.

"I can't thank you enough. If it were not for you and the caring you have for others, my life would be more difficult today." A client success story

Who We Are

For over 30 years, we have had a clear vision: people with disabilities having genuine independence, living with dignity, and contributing and sharing in our communities. Our vision is driven by our Board of Directors, all of whom are people living with disability, and supported by our staff, many of whom are also members of the disability community.
